

Download 2005 Young Adult Diabetes Prevention Planner

Together, with its partnership network, the NDEP aims to improve the treatment and outcomes for people with diabetes, promote early diagnosis, and prevent or delay the onset of type 2 diabetes. Learn more about NDEP ...Diabetes is a serious and growing problem in the United States. Behavior change, diet, and exercise are first in the line of treatment for this chronic disease. However, diabetes is a progressive disease, and these techniques will only work for a small portion of patients. Oral medications will eventually be necessarily incorporated into treatment plans in order to preserve control of the ...Division of Adolescent and School Health, National Center for Chronic Disease Prevention and Health Promotion The material in this report originated in the National Center for Chronic Disease Prevention and Health Promotion, Ursula E. Bauer, PhD, Director Corresponding preparer: Sarah M. Lee, PhD ...Caitlin Green, President ServiceLink. Caitlin Green is Vice President, Senior Marketing Manager at PNC Financial Services and has served in a number of marketing and communications leadership positions over the past 15 years.
