The 2019 Dodge Charger is a five-passenger, four-door sedan available in five main trim levels: SXT, GT, R/T, Scat Pack and SRT Hellcat. The SXT and GT trims come with the V6, while the others come ... From what reviewers describe as a clunky, inefficient 2.7-liter V6, with its equally clunky and inefficient four-speed automatic, to the reviewer-approved, super-potent 6.1-liter V8, managed by the reasonably smooth five-speed auto-manual transmission, the 2010 Dodge Charger has a powertrain for just about everyone.
