

Download Building Up And Tearing Down Reflections On The Age Of Architecture

Paul Goldberger, who the Huffington Post has called “the leading figure in architecture criticism,” is now a Contributing Editor at Vanity Fair. The Digital Beijing Building served during the Games as the data center. It was the only building on the Green at the time of the Olympics that was not an event venue. Since then it has been converted into a museum of the Digital Olympics and exhibition space for digital technology companies. THE SPIKE. It was late-afternoon. Forty-nine of us, forty-eight men and one woman, lay on the green waiting for the spike to open. We were too tired to talk much. The Yugoslav Wars were a series of separate but related ethnic conflicts, wars of independence and insurgencies fought in the former Yugoslavia from 1991 to 2001, which led to the breakup of the Yugoslav state. Its constituent republics declared independence, despite unresolved tensions between ethnic minorities in the new countries, fueling the wars.
