

Download Bureaucracy In Modern Society

Bureaucracy in Modern Society. "The type of organization designed to accomplish large-scale administrative tasks by systematically coordinating the work of many individuals is called a bureaucracy.". The basic characteristics of bureaucratic organization are specialization, a hierarchy of authority, a system of rules, and impersonality. Bureaucracy in Modern Society. This revision of a classic study teaches important lessons about what often seems to be the paradoxical role of bureaucracy in contemporary society. This third edition contains a new chapter on bureaucratic dysfunctions and updated, expanded coverage of environments and organizations and bureaucratic rigidity.
