The way to find it on this page. - Are you looking for some price quotation ? The Ebay price archive is on [www.elpeon.com](http://www.elpeon.com) - Are you looking for technical specifications ?  
Chess is a two-player strategy board game played on a chessboard, a checkered gameboard with 64 squares arranged in an 8×8 grid. The game is played by millions of people worldwide. Chess is believed to be derived from the Indian game chaturanga some time before the 7th century. Chaturanga is also the likely ancestor of the Eastern strategy games xiangqi, janggi, and shogi.
