I've painted my home from top to bottom, as well as the houses and apartments of countless other people. I've learned a thing or two over the years and I'm happy to share my tips and a step-by-step guide with you! It looks like a lot of information (because it is), but don't worry or get overwhelmed.If you're in the market to paint your kitchen cabinets, you have come to the right place! I am sharing every single solitary step to a brand new space! While the actual priming and painting only took three days (can you say marathon painting?), reviving your kitchen cabinets will also require at least one solid day for prep, and at least one additional day to put everything back together.
