With a proven track record spanning more than 38 years, Buckle Packaging remains family run, with Anthony Mason at the helm. Jones Family C.S. Serial No. 5155 An early example of the Jones Family C. S. machine probably manufactured in 1894. It has the Patent number 6668 and Patent date March 29th 1893 stamped on the front slide plate. Although Elias Howe had patented the lock stitch sewing machine in 1846 initially there was little interest in this new invention. Gradually though a small number of firms started to produce primitive sewing machines and later the American courts decided many of the machines produced infringed Elias Howe's Patent.
