

# Download Film Study Guides For Teachers

At Film Education we believe in the power of film as a tool for learning within a wide range of educational contexts. Since 1985, we have been producing materials to support teachers who want to use film in their classrooms, whether they are teaching in primary, secondary or further education. Latest study guides. All the study guides are Acrobat PDF files. Click the title to download the study guide. The file size is shown in brackets. The largest collection of literature study guides, lesson plans & educational resources for students & teachers. The Academy produces a series of guides for middle and high school teachers to facilitate the classroom exploration of the art and science of motion pictures. The activities are designed to tap students' interest in film and the excitement of the Academy Awards to teach common core-related principles such as critical thinking, creative writing, and visual literacy. Each guide
