

Download Grade 7 Math Placement Test

Math Mammoth placement tests for grades 1-7 (free math assessment) These free diagnostic tests help you discover your child or student's level in math, and to find out EXACTLY where they have gaps (if any). They are end-of-the-year (EOY) tests — in other words, meant to be taken AFTER studying the particular grade. The Placement Tests help determine the best level for a student to begin within the Math-U-See curriculum. While the student is taking the Placement Test, the teacher should document observations regarding whether the student is using finger counting, touch points, or tally marks; other patterns should be noted such as missing steps, careless errors, or incorrect methods.
