Christian parents have no greater privilege than to introduce their children to God's grace. This bookLead your child to Christ. Your child's salvation is a matter between the Holy Spirit and your child. The Holy Spirit must be the one who convinces your child of his or her sin, and need for salvation. As a result, you may need to revisit this conversation with your child several times. At the right time, the Holy Spirit will speak to your child.As you live out your faith on a daily basis, leading your children to Christ can be organic and beautiful. We can help them understand their sin and need for a Savior and teach them that God loves them and is always available to them. As we do this, we pave the way for them to come to a saving knowledge of Jesus and put their faith in Him.
