The IATA Cargo Handling Manual (ICHM) is a complete set of standards for everyone involved in cargo operations. The ICHM helps airlines and cargo handlers to operate more effectively together, to improve efficiency and safety in air cargo operations. The Airport Handling Manual (AHM) is your definitive source for the latest industry-approved policies and standards covering all facets of safe and efficient airport operations. The International Air Transport Association (IATA / a? ? ? t ? /) is a trade association of the world's airlines. Consisting of 290 airlines, primarily major carriers, representing 117 countries, the IATA's member airlines account for carrying approximately 82% of total available seat miles air traffic. IATA supports airline activity and helps formulate industry policy and standards. Recognized by airlines worldwide, the IATA Dangerous Goods Regulations (DGR) is THE industry standard for shipping dangerous goods by air. It is the most complete, up-to-date and user-friendly reference manual trusted by the industry for almost 60 years.
