What is a Comparison Essay?. A comparison essay (or a Compare and Contrast essay) is a commonly used type of writing assignment in various classes of high school and college, from art to science. In a comparison essay you should critically analyze any two subjects, finding and pointing out their similarities and/or differences. Using an essay structure example can help you come up with organized details and seamless transitions in your essay. There is nothing more frustrating than reading an essay with no coherent thought and with details that do not flow continuously. To avoid creating such essay, using a structure can be of help to you. Does my instructor want me to compare AND contrast, or am I only being asked to do one of those things? Some instructors prefer that you only write about the differences between two things, while others want you to focus on explaining the similarities as well.
