The editor of The New England Journal of Medicine and World Health Organization officials respond. The New Democracy Forum is a series of short paperback originals exploring creative solutions to our most urgent national concerns. "A civic treasure. . . . A truly good idea, carried out with intelligence and panache." --Robert Pinsky About Is Inequality Bad For Our Health? In this election year, health care again proves to be one of our nation's most urgent issues. Daniels, Kennedy, and Kawachi shift the focus of the debate, forcing us to take a closer look at how our health is affected by social injustice and inequality.
