Popular Ideas for a Scavenger Hunt List Objects. If you chose a specific theme, brainstorm objects that are related to the overarching idea. Movies and Art. If people are already at the mall or in a museum,... Famous Look-Alikes. This is particularly fun for photo hunts! Words and Numbers. The ...Popular Ideas for a Scavenger Hunt List. For instance, a pirate-themed game could have a parrot, treasure map, gold coins, a ship, and an eye patch on the list. To verify players actually found each item, you can write something on the object that they need to record, or ask them for the object's color. Office scavenger hunts are a great, affordable way to encourage team building. Almost all of these ideas require a picture or video proof of completion (internet searches for photos are not allowed), so be sure to have phones charged, and set up a screen where everyone can share the “spoils” after the hunt.
