For sale is a very nice Oliver 159 wood lathe with several faceplates. Has a new belt from Eagle Machinery and runs great! Rapid change variable speed. 3 phase 230 V 1 hp motor. Several faceplates and live center included. \$700 Located a bit north of Asheville, NC. This is my new 1951 Oliver 159-A lathe I purchased a few weeks back to go through and sell. It was in good working order with a few minor parts missing. I disassembled, sandblasted, replaced worn parts, abused bolts and screws, primed and painted and have just reassembled it to its good as new state. A new belt should arrive tomorrow.
