100% new content All PEER questions and answer explanations are brand new. It's what you expect from board prep, and more All 20 categories of the EM Model, “weighted” as they'll be on your board exam, plus “acuity” frames, peds, and geriatrics. Peer mentoring is a form of mentorship that usually takes place between a person who has lived through a specific experience (peer mentor) and a person who is new to that experience (the peer mentee). An example would be an experienced student being a peer mentor to a new student, the peer mentee, in a particular subject, or in a new school. Health education is a profession of educating people about health. Areas within this profession encompass environmental health, physical health, social health, emotional health, intellectual health, and spiritual health, as well as sexual and reproductive health education.. Health education can be defined as the principle by which individuals and groups of people, learn to behave in a manner ...The Kansas Health Education Standards committee feels strongly that health education for Kansas students should be implemented throughout grades K-12 and we encourage teachers to dialogue with their administration regarding ways to strengthen health education in Kansas schools.
