Rutgers Physics News Three of our faculty members will be recognized by the University this year for their outstanding achievements. Andrew Baker will receive the Warren I. Susman Award for Teaching Excellence. This is the highest honor for outstanding and innovative performance in the classroom by a tenured faculty member offered by the University. Online homework and grading tools for instructors and students that reinforce student learning through practice and instant feedback. This site is intended as a resource for university students in the mathematical sciences. Books are recommended on the basis of readability and other pedagogical value. Topics range from number theory to relativity to how to study calculus. Walker's not that bad. There's homework but all the answers are in the back of the book and he always goes over the problems in class. He lets you have notes for the exams, but not all the material he lectures on is in them so make sure to prepare for all topics.
