

Download Phytochemical Resources For Medicine And Agriculture

Sulforaphane, a phytochemical in broccoli sprouts, is known to exert effects of cancer prevention by detoxicating chemical compounds taken into the body and by enhancing anti-oxidation ability. In ...Hibiscus sabdariffa L. (Hs, roselle; Malvaceae) has been used traditionally as a food, in herbal drinks, in hot and cold beverages, as a flavouring agent in the food industry and as a herbal medicine. In vitro and in vivo studies as well as some clinical trials provide some evidence mostly for phytochemically poorly characterised Hs extracts. Extracts showed antibacterial, anti-oxidant, nephro ...Cucumber (Cucumis sativus L.) is a member of the Cucurbitaceae family like melon, squash and pumpkins. It is a popular vegetable crop used in Indian traditional medicine since ancient times. This vegetable is very high in water content and very low in calories. "Don't let James Duke's folksy style and easy Southern manner fool you one bit. The man is one of the titans of botany, a crackerjack scientist, a formidable force in the field of natural medicines, and definitely one of the smartest guys in the room.
