Acute Toxicity from Topical Cocaine for Epistaxis: Treatment with Labetalol. Richards JR et al. J Emerg Med 2017 Mar;52:311-313. Abstract. There has long been a debate among toxicologists — still unresolved — as to whether it is safe to use a beta-blocker to treat cocaine-related hypertension and tachycardia. Saving American Hearts, Inc Advanced Life Support Training Classes is a provider of American Heart Association, American Academy of Pediatrics and National Association of Emergency Medical Technicians at 6165 Lehman Drive Suite 202 Colorado Springs, Colorado 80918.
