THERMOSTATIC MIXING VALVE COMMISSIONING AND/OR MAINTENANCE REPORT NOTE:
1. In all cases the Licensee is to submit this report within two working days after commissioning and/or servicing the valve. 2. Use a separate form for each valve. 3. The original of the report is to be given to the owner/occupier and retained on site for a minimum of 7 ...Changes to the approved code of practice, which took place a few years ago, mean that some people are still unaware of the regulatory requirements regarding Thermostatic Mixing Valves (TMVs) and TMV maintenance. Here's our guide to everything you need to know about TMVs and how they should be serviced. So, we have written a brief outline below to assist with what the basic requirements are as per the Australian Standard AS4032.3; Water supply—Valves for the control of heated water supply temperatures Part 3: Requirements for field-testing, maintenance or replacement of thermostatic mixing valves, tempering valves and end-of-line temperature ...
