In the past, we have addressed the difficulties of writing off IRC §197 intangible assets before the end of their 15-year amortization period. Conversely, what happens when §197 intangible assets are sold at a gain? An unpleasant surprise awaits the taxpayer because the amortization deductions ...Aviation Acronym: Description: DA: Drift Angle: DADC: Digital Air Data Computer: DADS: Digital Air Data System: DAFCS: Digital Automatic Flight Control System: DAMPThe BIMCO Shipping KPI system is flexible in filtering criteria for benchmarking functions. The flexibility allows users to add more criteria into the filter function and specify it in order to compare to a specific group of ships within defined criteria.White Dove Circle of Light and Love offers a variety of healing services from which to choose.
