Van Dorn Pathfinder 5000 Manual are not only beginning to rival conventional literature; they are also beginning to replace it. This is simultaneously a good thing and a bad thing,Are there any Van Dorn HT Series experts out there that could give me a brief, or lengthy, explanation of the tuning functions on one of these machines. I think a lot of my problems could be solved if these things were just tuned properly. Alas there is nobody here anymore that knows how to do it. I would be more than happy to learn, especially if it made my life easier.
