

Download Venn Diagram For Expository Writing

You are receiving a venn diagram sort. This sort focuses on comparing the sun to other stars. The students will read the information and then cut/sort/glue it in the correct spot on the venn diagram. Venn Diagram template can be used for any subject area in which the student needs to compare and contrast. Students build their understanding of the terms compare and contrast by participating in class discussions, using Internet resources, working collaboratively, and by visually representing information in a Venn diagram.
