WHY DOES PET LOSS HURT SO MUCH? People I encounter in pet grief support groups are often shocked to discover how bad they feel when their pets die. The government cares about you being vaccinated. No, they don't necessarily care about the negative effects of the vaccination or your concerns, but they do invest millions of dollars to ensure as many people as possible receive things like the flu vaccine every year. Emotional Affairs: Why They Hurt So Much One partner feels wounded; the other feels falsely accused. Posted Jun 30, 2014 Chest pain. The first thing you may think of is heart attack. Certainly chest pain is not something to ignore. But you should know that it has many possible causes. In fact, as much as a quarter ...
